DONATE TO THE BPL SPICE BANK

The Boston Public Library and the Greater Boston Food Bank have teamed up to bring more flavor to your neighbors! Donate unopened spices and dried herbs at the BPL branches below, and the GBFB will gift them to families and individuals across Eastern Massachusetts.

Improving access to cooking spices helps food assistance recipients maintain their cultural identity, uphold family food traditions, and discover new delicious and nutritious recipes. When you donate at the Newsfeed Café in the Central Library in Copley Square, they will match and double your spice donation! Spice Bank donations will be accepted from November 2023 through April 15, 2024.
