

Harry Wilcox

Member, Board of Directors

Harry Wilcox, now retired, is a former Partner at Flagship Pioneering, a bio platform innovation company working to transform human health, where he served on their Investment Committee and as a Board member, Chairman or Advisor to select Flagship portfolio companies. Harry brings a rich set of experiences and expertise in financial management, operations, fund management, and strategy to the Board. Before joining Flagship, Harry served as Chief Financial Officer and, subsequently, Senior Vice President of Corporate Development for EXACT Sciences, a Flagship portfolio company. In addition to his corporate experience, he previously served as the Chief Financial Officer for two venture capital firms: Highland Capital Partners, where he was a founding member and general partner, and Charles River Ventures. Harry has also led an active consulting practice, which included roles as interim Chief Executive Officer of Thrasos Therapeutics and Biostratum.

Prior to founding his consultancy, Harry served as Executive Vice President and Chief of Finance and Corporate Development at Pyrosequencing, a publicly-held European biotech company, and held senior executive roles at Cambridge NeuroScience, Inc. and Cellcor.

Harry holds a Bachelor of Science in Finance from the University of Arizona, and an MBA from The Questrom School of Business, Boston University.
